MONDAY	8:30am – 12pm 1pm – 5pm	TRASH BASH Ritz Kids Room	When we throw something away, where is away? What really happens to our trash? Is all trash created equal? Find out the answers to these questions and more as we learn how to help save our planet through art, games and, you guessed it, TRASH! How does our trash affect the world around us and what can we do to help?
TUESDAY	8:30am – 12pm 1pm – 5pm	OCEAN MYSTERY Ritz Kids Room	Ever wonder why ocean creatures look so strange to us? Well, it's all for a reason. The ocean is full of mysteries, and we discuss why these critters look the way they do and the important jobs that they accomplish for our planet. Through challenge activities and games, we reveal the mysteries of the ocean.
WEDNESDAY	8:30am – 12pm 1pm – 5pm	SHARKS Ritz Kids Room	Whether you are fascinated by or scared of the world of sharks, this activity is for you. THURS	8:30am – 12pm 1pm – 5pm	CORAL REEFS Ritz Kids Room	Want to learn why a coral reef is really a city under the sea? Then come join us as we have fun, playing games like Race to the Reef, while exploring the inner workings of a coral reef. FRIDAY	8:30am – 12pm 1pm – 5pm	MYSTERIES OF THE MICRO WORLD Ritz Kids Room	When we think of the micro world and tiny things, some of us may think about bugs and insects. Have you ever wondered what the world looks like to an ant or a bug? We must look like giants! Imagine all the little things they see that we cannot because we are too big?
